I...I'M SO SORRY!!

AH...

KYAH...!

No...it's alright.

I WILL BRING A TOWEL RIGHT AWAY!!

ぬっ

I'm fine. Don't worry about it.

……

You must be the type who lets women walk all over you.

Hey, Kuroe...

Wh-what do you mean?

Now that I think about it, you've always been like that.

It feels like you tend to listen to those older-sister types.

Well, with Sainome, you're always doing what you're told.

THAT'S NOT TRUE.

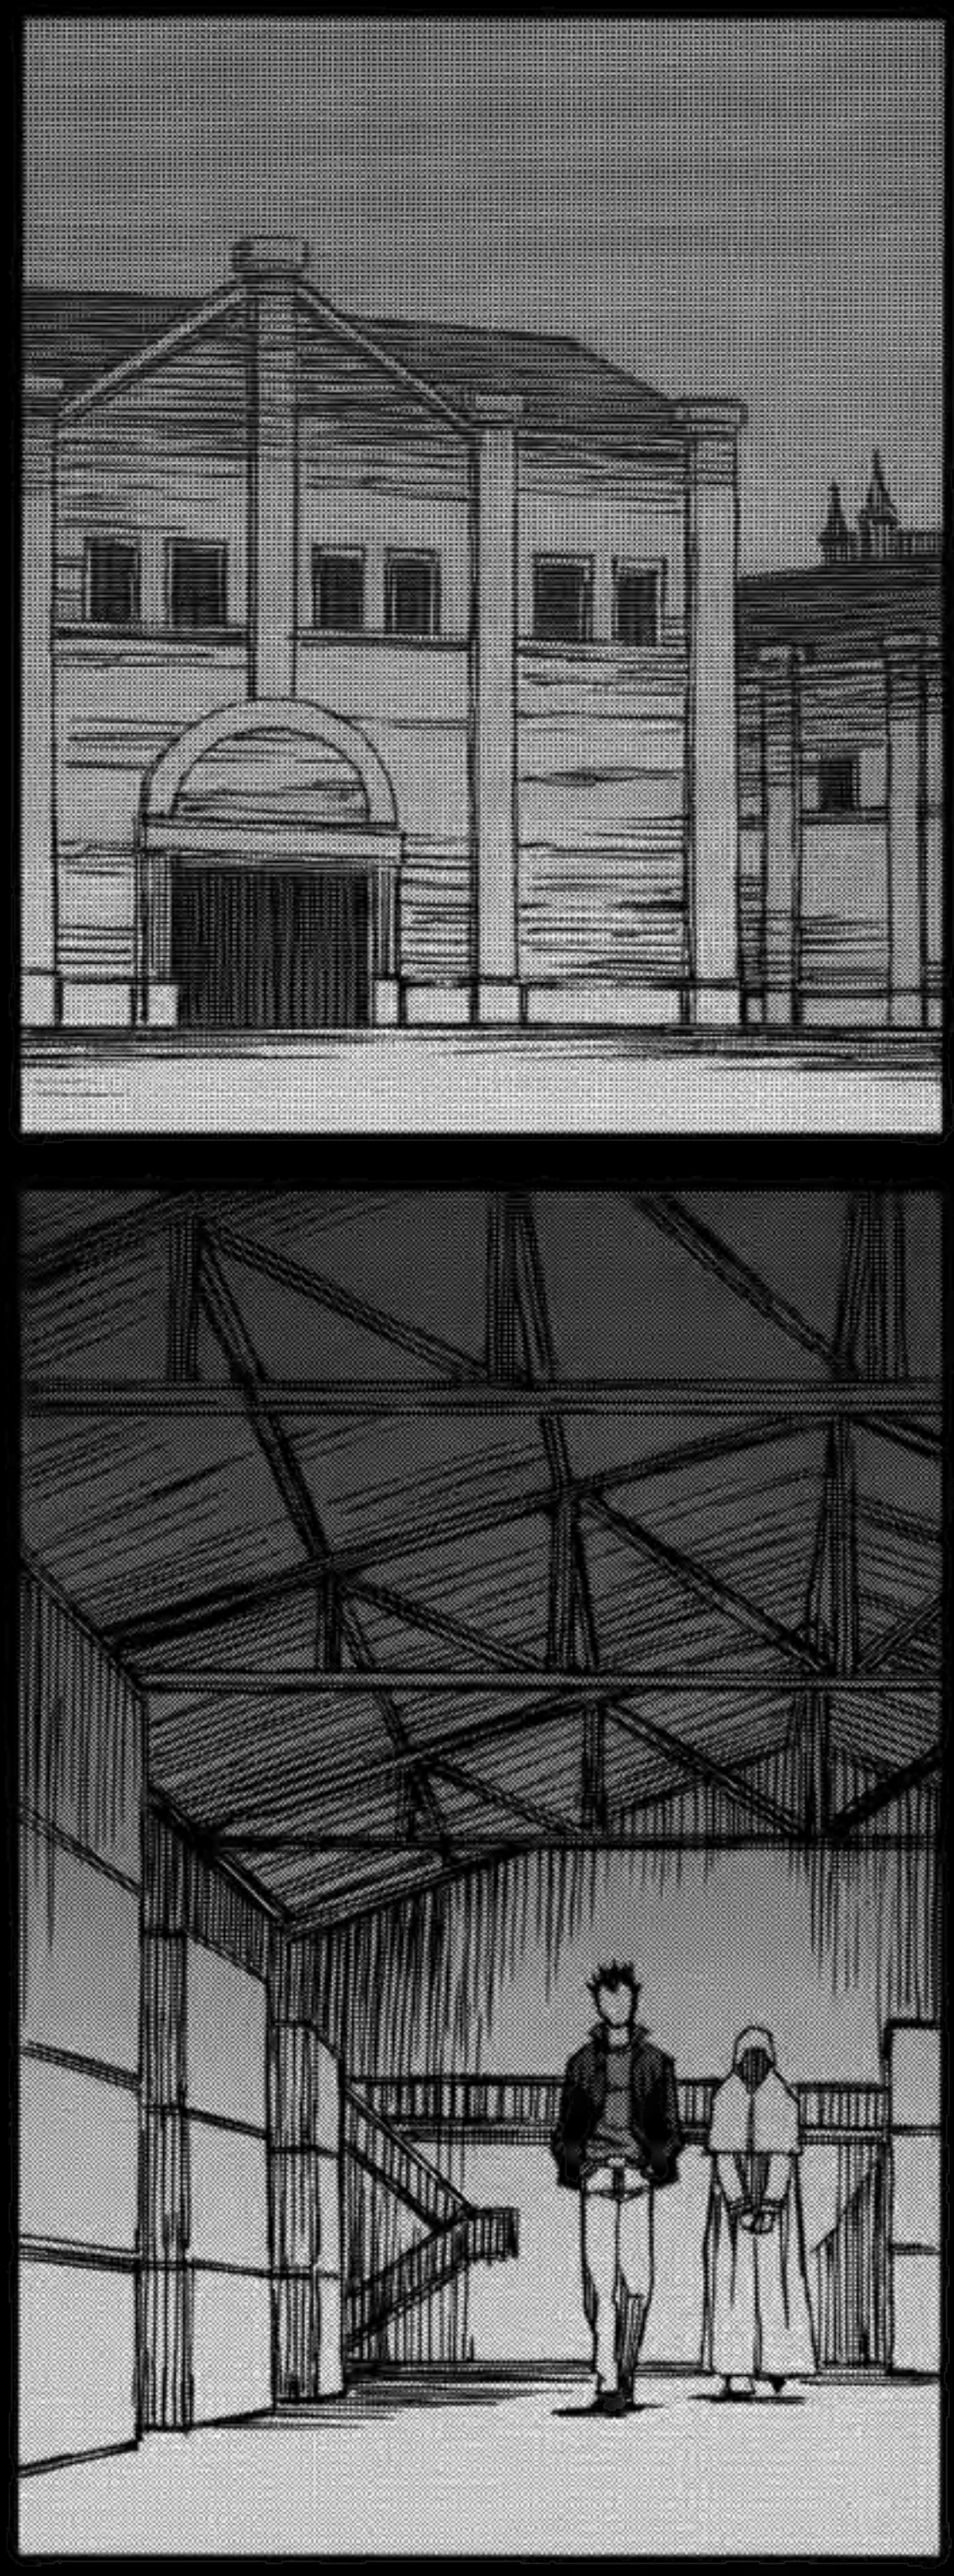
THA...

Oh really?

.....

I can speak my mind properly to anyone.

Of course.



Hey...

So where is Sir Medraut---

The Medraut-sama---

That would be me.

.....

...You didn't notice?

Leader of "Einseigrad Sparuda".

Hey.

.....

Hunter.

Let's stop with all the acting.

We already know who you are.

ooo

What's this?

Hah.

You've got guts.

To come to my base with just a stick like this.

...I suggest that you don't touch it---

Huh?

WHAT ...!?

!?

AH...!

Didn't I tell you?

I have no business with a fake.

Repent your sin, for taking on Medraut's name, in hell.

We shouldn't do this, Noe!---

What, Kuroe?

Rage-san is all alone and you're not worried?

I'll---

Yeah, but even if we go, we'll only get in his way---

Kuroe, 20 years old.

A winter in London—

How rude.

Unlike you, I have had experience as a hunter.

THAT'S TRUE, BUT----

TCH...!

!!

HE'S A MERE HUMAN!!
KILL HIM!!

TCH...

AH...!!

A HUMAN!?

IT'S A VAMPIRE!!

NO...

!!

STOP RIGHT THERE!!

LISTEN TO...!!

NOEL
...!?

LET HER GO!!

GR...!!

----!!

CECILIO ...!?

Two young ones disappeared together... So just in case, you know.

HOW ...!?

Are you alright?

Yeah.

Thanks to you ...

Hi...

...So you saw that?

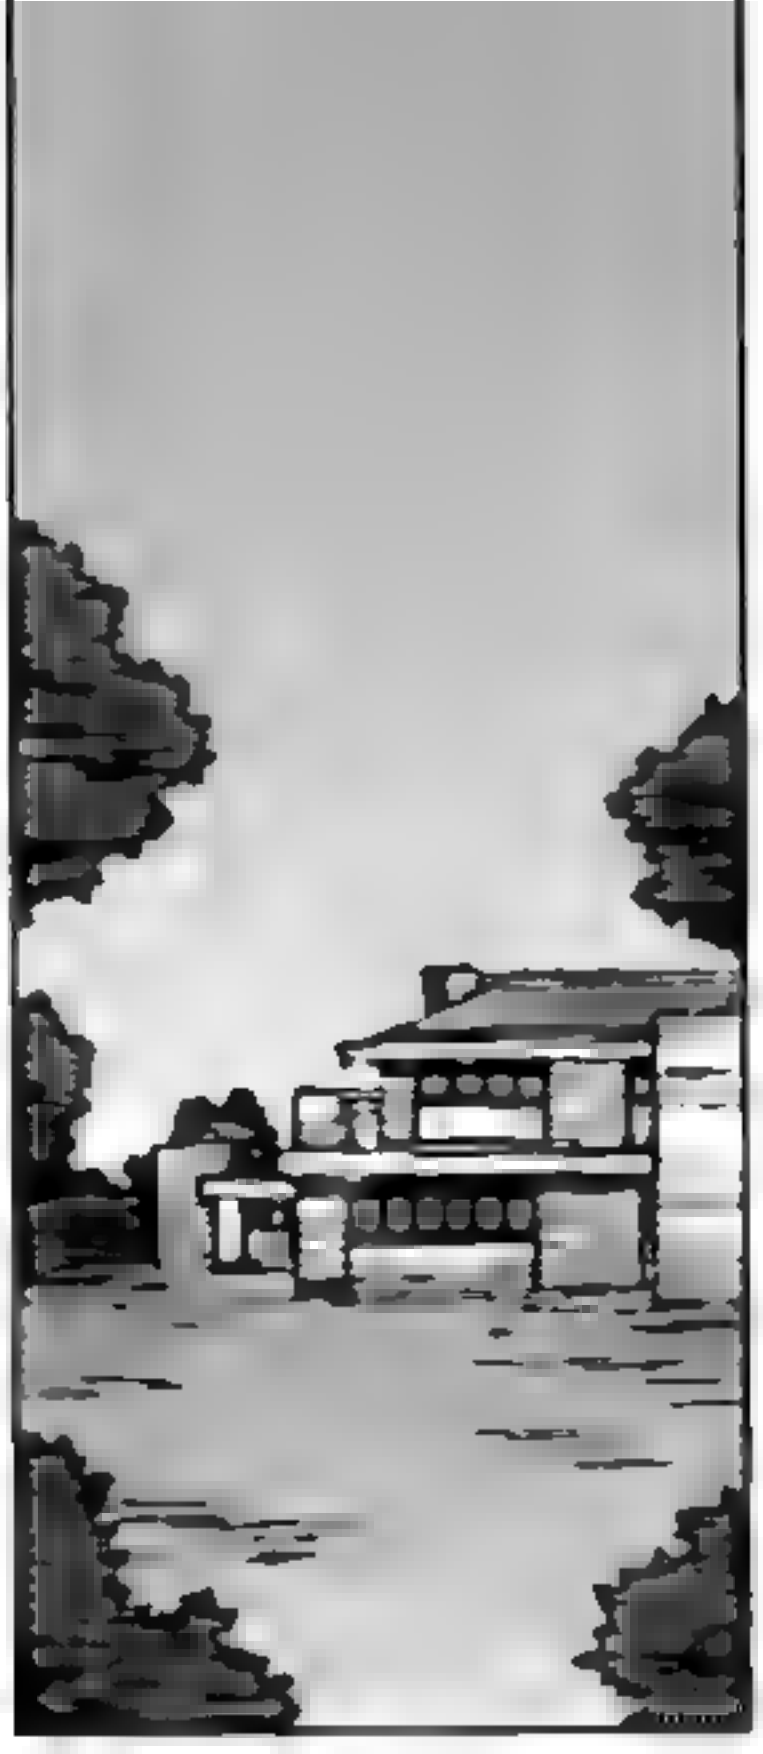
He was lucky, considering his opponent was Reiji.

One of them got away.

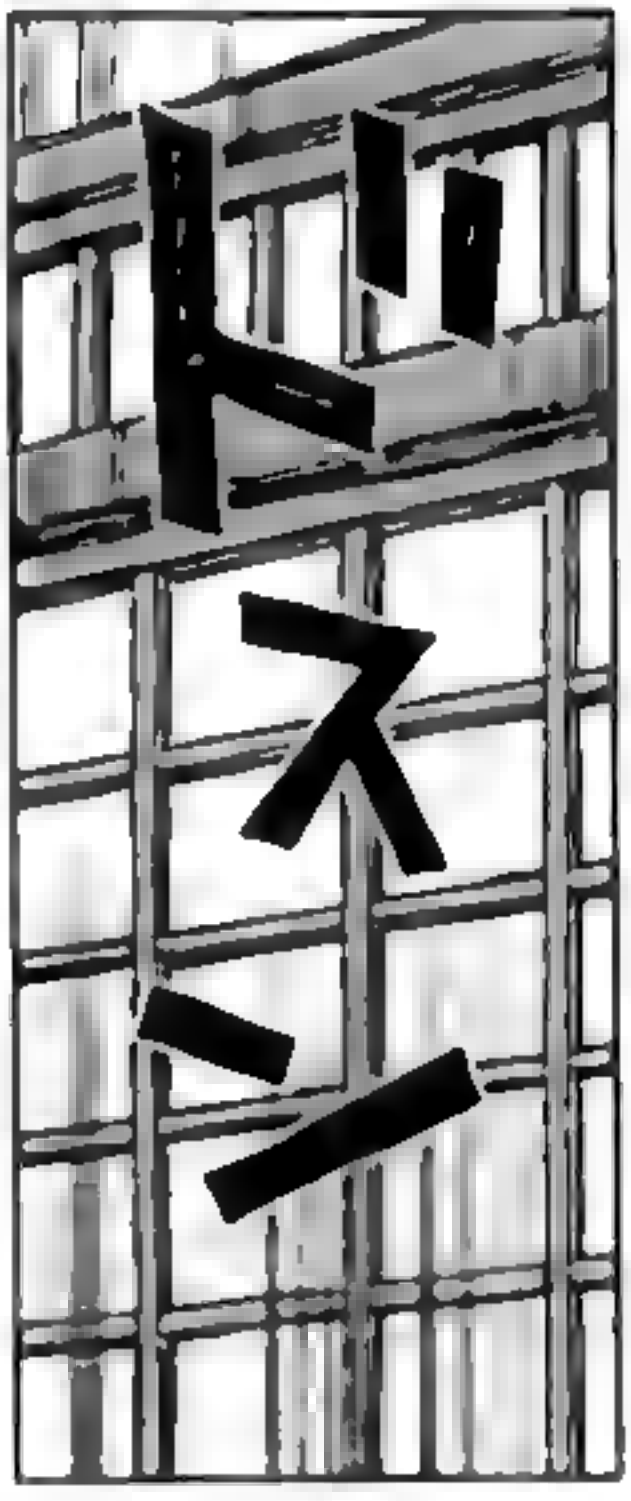
It seems like pretty much everything inside is taken care of.

Hmph ...

TN: IN THE PREVIOUS CHAPTER, I ACCIDENTALLY USED THE NAME PAGE INSTEAD OF REIJI.



Kuh
...



Hah.

Hah.

That's it?

Hah.

Hah.

...It's my loss.

...

What's wrong?

You don't seem to be feeling your best, Kuroe.

Reiji-san...

What ...?

I know just by looking.

You're always holding back. I see.

Um ...

And you're not half bad.

Nonetheless, I have taught you everything that I could.

Noel... she's a hard worker, but she's no match for you.

Um ...

...However, without real battle experience, it was thoughtless action.

I'm glad both of you were unharmed.

Thanks to Cecilio, that is.

I'm... sorry about last night.

.....

Yes...

Is it... impatience?

To say that I'm not feeling impatient... would be a lie.

.....

Him... huh.

At this rate, I will never catch up to him...

ス...

.....

...If we were to face off properly, even I may not stand a chance.

Adivuarat Kurai is a strong foe.

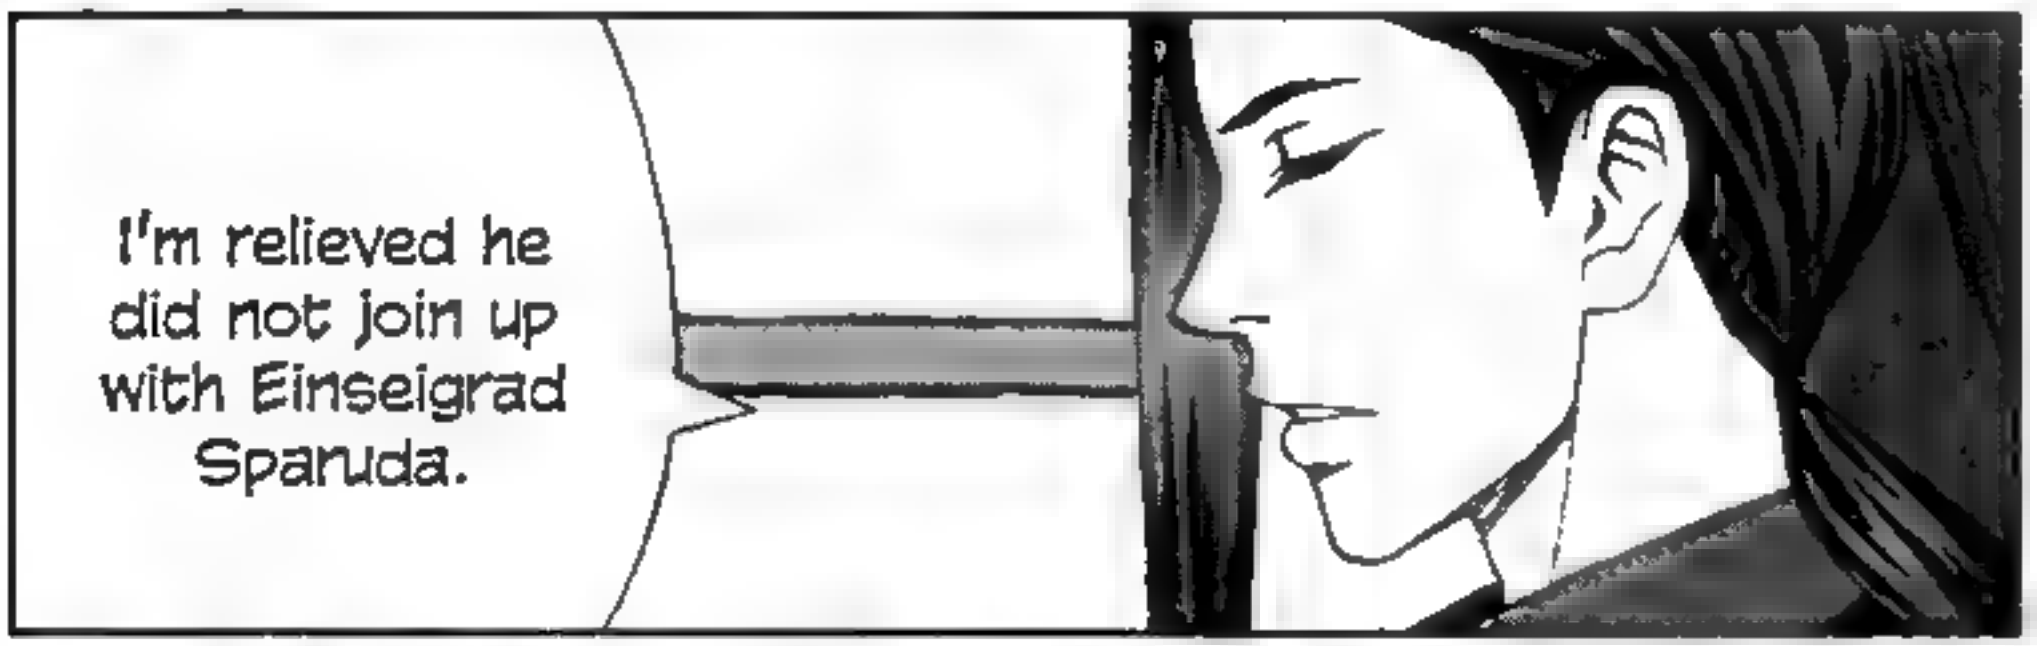
...To tell the truth,



I'm relieved he did not join up with Einseigrad Sparuda.

ズooo

...What is it?

Take this...

ス

"Saint's Ashes..."

With it, you are able to borrow my powers for an instant.

It will probably be useful if something were to happen.

Thank you...very much.

...It's pretty pointless for me to say it at this point in time.

But even now, I regret a little bit that I brought you here that time...

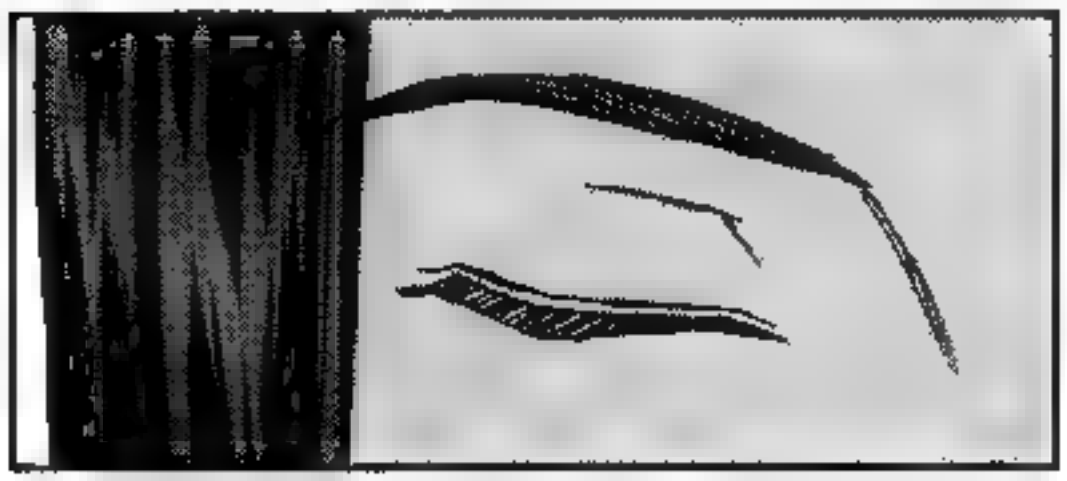
It's better for you to forget about revenge.

You are kind.

.....

You shouldn't become like me, a man trapped in the past.

...But ...



...You're right.

By forgetting ...
It would mean erasing my sister's existence...

So all but one were wiped out...

...YOU'VE UNDERESTIMATED THEM.

It appears so.

As if you can capture him without sending out an Aruhiek.

He's the man who made a contract with "Femme Sinistre", you know.

[illegible] many of your plans have been put to a stop?

That man killed many members of your Einseigrad Sparuda.

Trying
to lure him out
with the Medraut
name won't work
again...

[illegible]
NOT FORGET
ABOUT YOUR
PROMISE.

REGARDING
THAT, I HAVE
[illegible]

...Very
well

...Well I suppose tagging along after Reiji-san without permission was a rash decision.

But if only Kuroe had done his part properly, it wouldn't have been a problem.

To think that he couldn't do anything even at that distance.

W... well...

I didn't think you were that pitiful.

...You couldn't shoot because you saw his face, right?

.....

I'm talking about the one you faced.

What ...?

Even when you know it's a vampire;

Anyone would hesitate the first time.

...Even you did. Right, Noel?

I...I'M NOT THAT WEAK!!

Those vampires look exactly like humans on the outside.

Not at all like the monsters they're depicted as in movies or TV shows.

We're called vampire hunters, but everyone is more or less the same.

No need to pretend to be tough.

It's not like I continue to be one because I want to.

Even I'm the same

No.

I'M... NOT THE SAME!!

I WILL DO ANYTHING TO WIPE THEM ALL OUT!!

MY BROTHERS WERE KILLED IN FRONT OF MY EYES!!

CECILIO!!

...AREN'T YOU THE SAME?

AREN'T THEY THE ONES WHO KILLED YOUR LOVER!?

.....

I WANTED TO BE ONE!!

But...

There's no doubt that I hate the one who killed her.

That's right...

Even so, it's not like I want to wipe out the entire vampire race because of it.

Think about it...

If the one who killed one's lover or relatives was a human,

would there be anyone out there who would want to kill every single human being?

B-but if we leave them alone, they'll attack innocents as well!!

...Well—

.....

Maybe,

But maybe not.

WHEN WE HAVE THE MEANS TO STOP THEM!!

I CAN'T JUST WATCH PEOPLE BEING KILLED,

I'm not the one who will seek revenge.

...Even if there were some like you said,

I DON'T WANT MORE PEOPLE GOING THROUGH WHAT I DID!!

The same way vampire hunters do.

If I kill vampires, their blood families will come hunting for me...

.....
It's an endless cycle.

Before you know it, you're all caught up in the cycles of hate and revenge with nowhere left to run...
Even though the initial trigger is the hatred of one person...

Such irony, that it would start a war...

What is it...?

Kyouya, take a look at this.

THE SUN... FROM LAST NIGHT...

Info from Scotland Yard.

WH- WHERE DID YOU GET THIS?

Let's clean up this mess by ourselves.

Hey...

AND WE CAUSED TROUBLE FOR REIJI-SAN JUST LAST NIGHT—

W-WE SHOULDN'T! NOT WITH JUST THE TWO OF US.

WHAT ...!?

W- well...

Don't you want to redeem yourself!?

You're so spineless!!

Why is that?

If he's in hiding, then he's probably here.

The building is old and about to be torn down.

There are no other good hiding places around here.

Watch my back this time.

G-got it.

The room
in the back...
has the door
sealed.

You two sure are rash, just after what happened yesterday.

Ah... yeah... I guess.

Right, Kuroe!?

Th-that's not true! the two of us were more than enough!!

Oh well.

Get in the car. Reiji needs to talk to the two of you.

Every-thing turned out OK.

...So, what did Reiji-san say?

Hm? Oh yeah.

I'll tell you along the way.

...Sorry, you two.

SORRY

LOOK AT THE OTHER MONITOR.

HELLO. CAN YOU HEAR ME?

W-WHAT'S GOING ON!?

HUH...!?

WHO ...!?

WHO ARE YOU...!?

Hmph ...

Oh well.

I guess there's no use in hiding anymore.

!!

Having to take hostages just to call out one single Vanatoare.

The Knights of the Round Table sure have fallen...

We are just going with the times. No one cares about knighthood anymore in this day and age...

If you hand us your life, I will return those two young ones without harm.

It's just as you see.

...And, what do you want?

...That's not a reasonable trade.

Resist, and the man on the other side will kill the hostages.

Even if I were to hand over my life right now, there's no guarantee that they will be safely released.

...I was foolish enough to have believed, and then I was betrayed...

I lost everything because of that, but that's why I'm still alive now.

On the name of the knight... huh.

How about if I swear on the name of Lancelot...?

Yes.

Under-
stood.

Yes.

Lamen-ting?

...Our master is lamenting over the loss of the lady as well.

You lot? Over killing one single human?

It's true that she was just a human.

But she was a special one, even to us.

Her blood was very important to us vampires.

Is there any meaning in continuing to hunt us down, the Einseigrad Sparuda, to avenge the death of the lady...your wife?

So you killed her for such a ridiculous reason.

It was an acci-dent.

Blood that can turn vam-pires into humans.

With it, everything would have changed.

Even if the two young ones will lose their lives?

...If you lay your hands on them—

This war will not end until I kill Mordred.

The proof that Misato lived in this world.

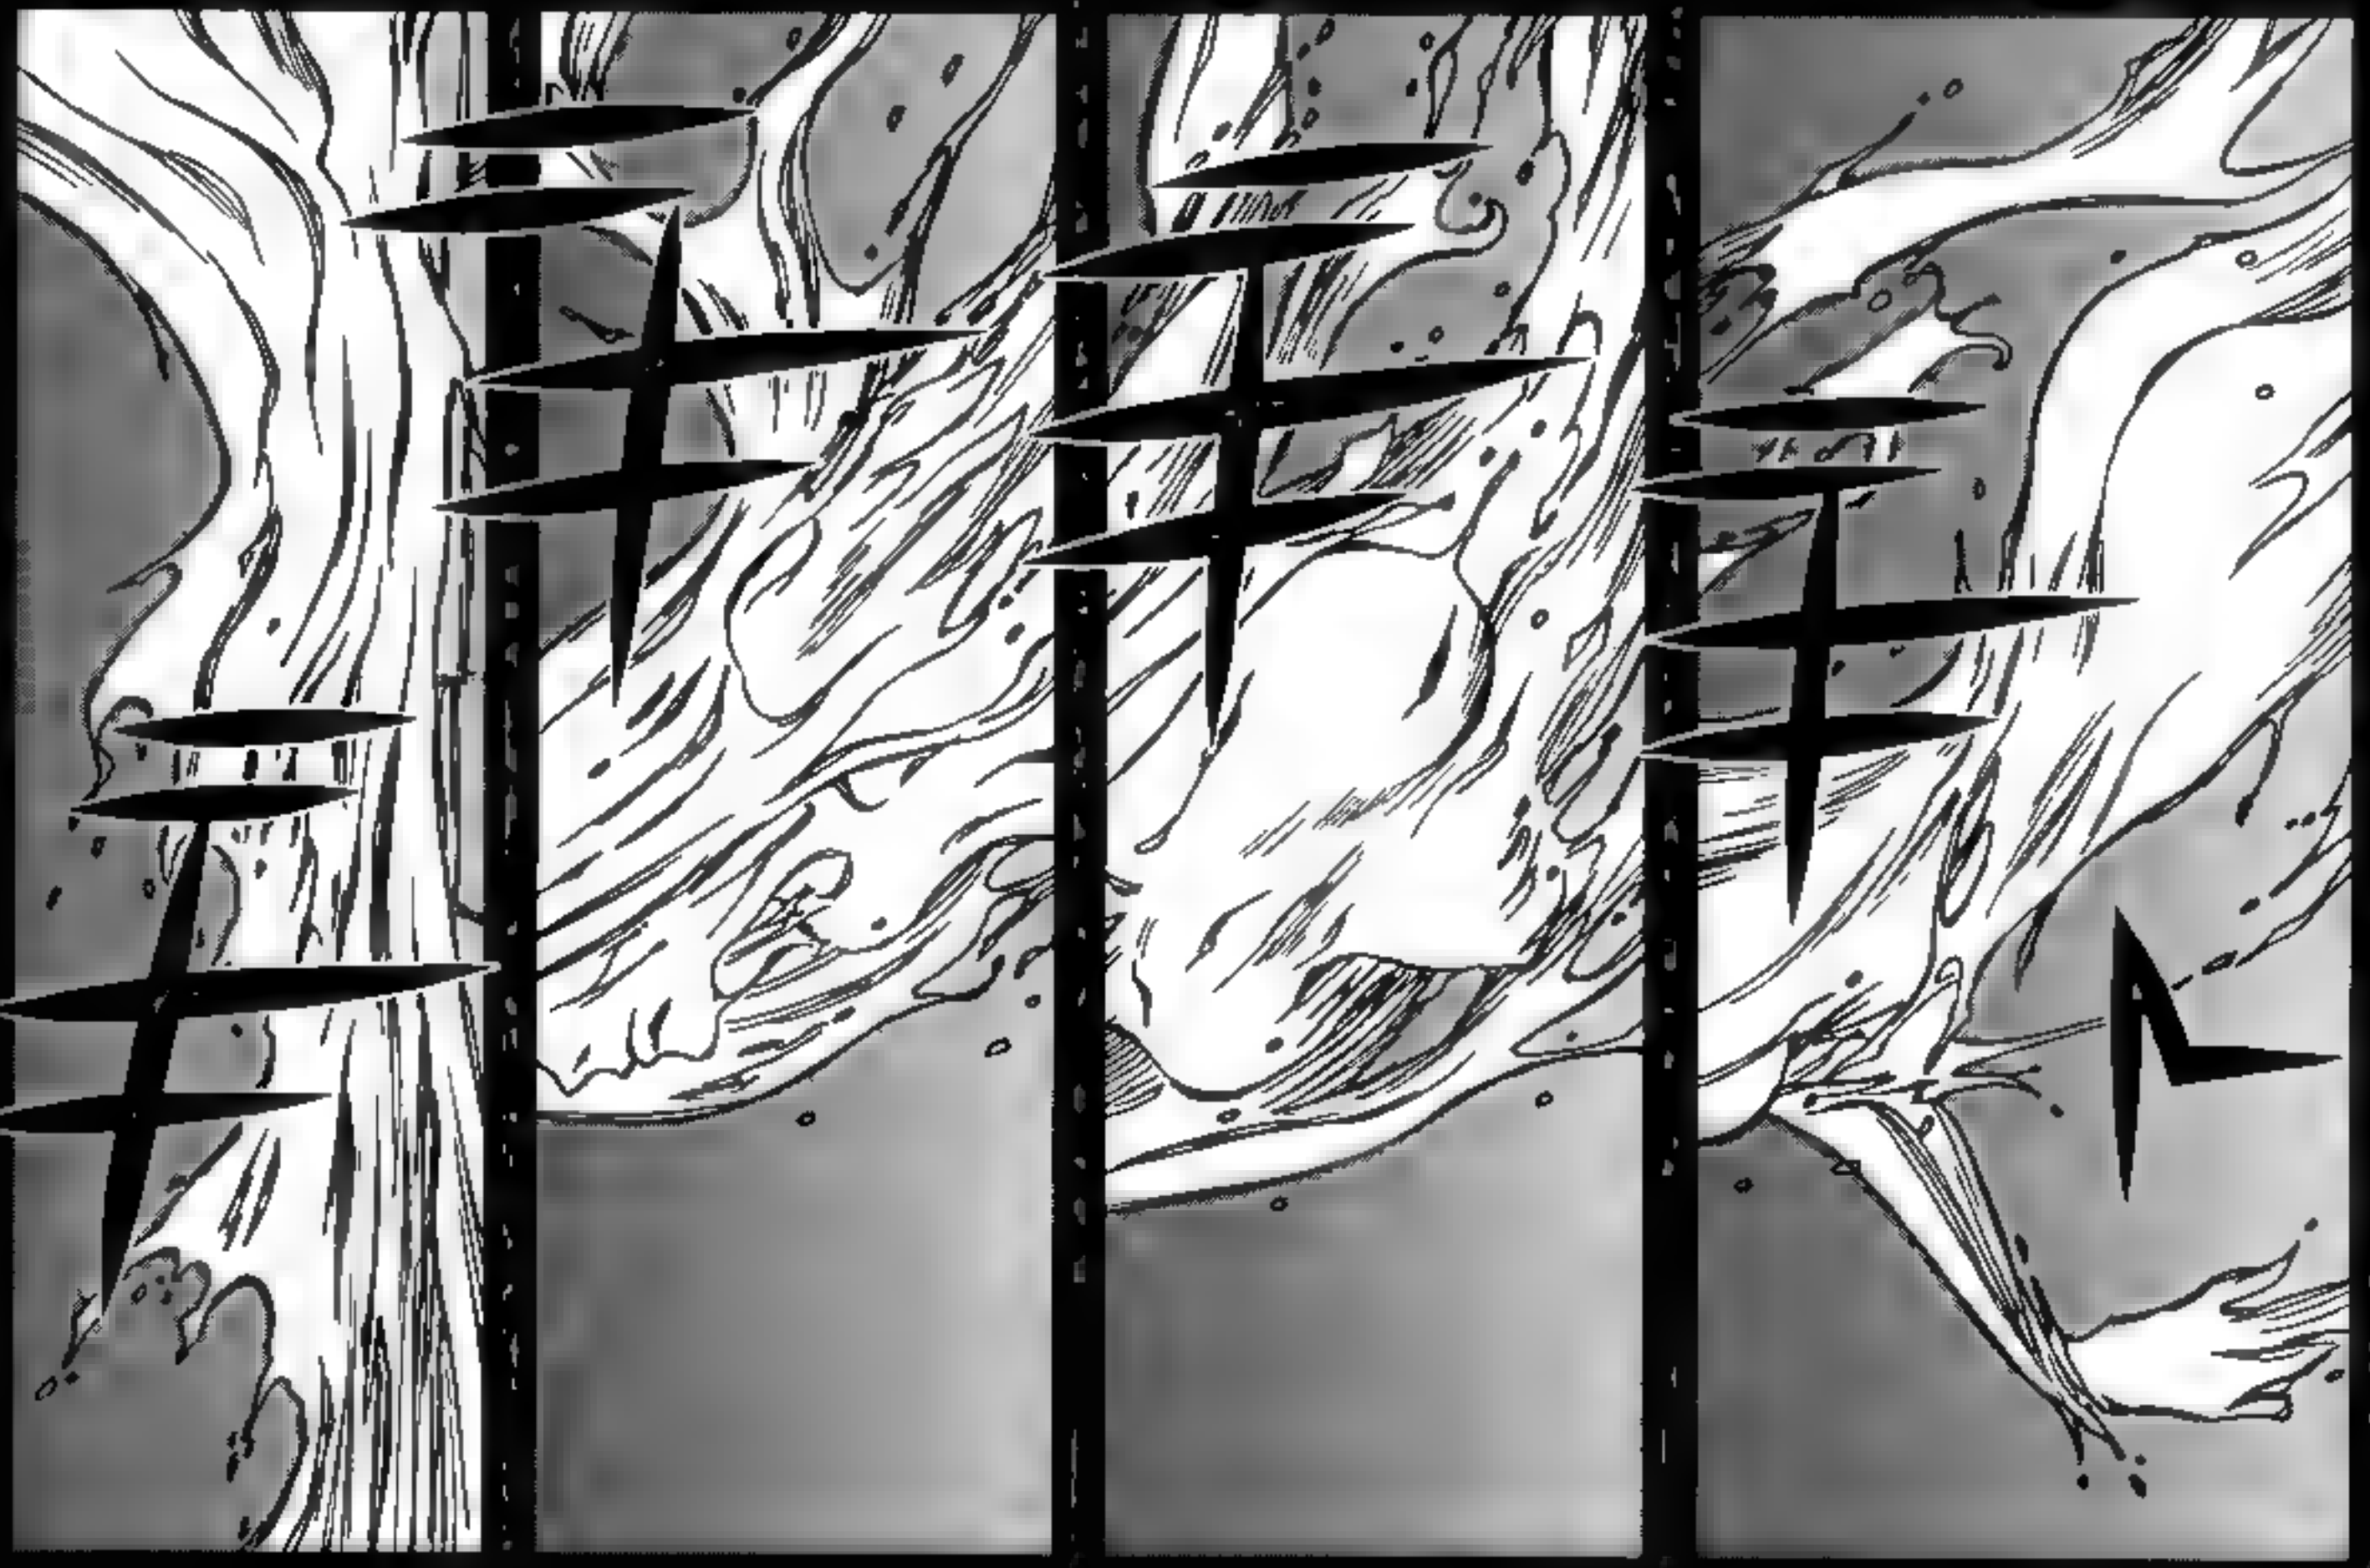
That is precisely why I'm still standing.

I will destroy you all,

with every last drop of my power.

Very well...

I never expected much from the hostages in the first place.



Your life fell into my hands the moment you set foot in here.

—!?

I had to do it in order to call out Reiji.
...It couldn't be helped.
W-WHY!?
C-CECILIO!?

WH-WHAT ARE YOU SAYING!?

I sold Reiji out to Einselgrad Sparuda.

...I'll be frank.

R...REIJI-SAN!?

He's probably being taken care of by their Aruhiek, now.

I meant exactly what I said.

WHY ARE YOU DOING THIS!?

WHY...?

...of this cycle of revenge.

I have stepped out...

And I...

"Knight of the Lake", huh...

You can't damage "Lady of the Lake" with your attacks.

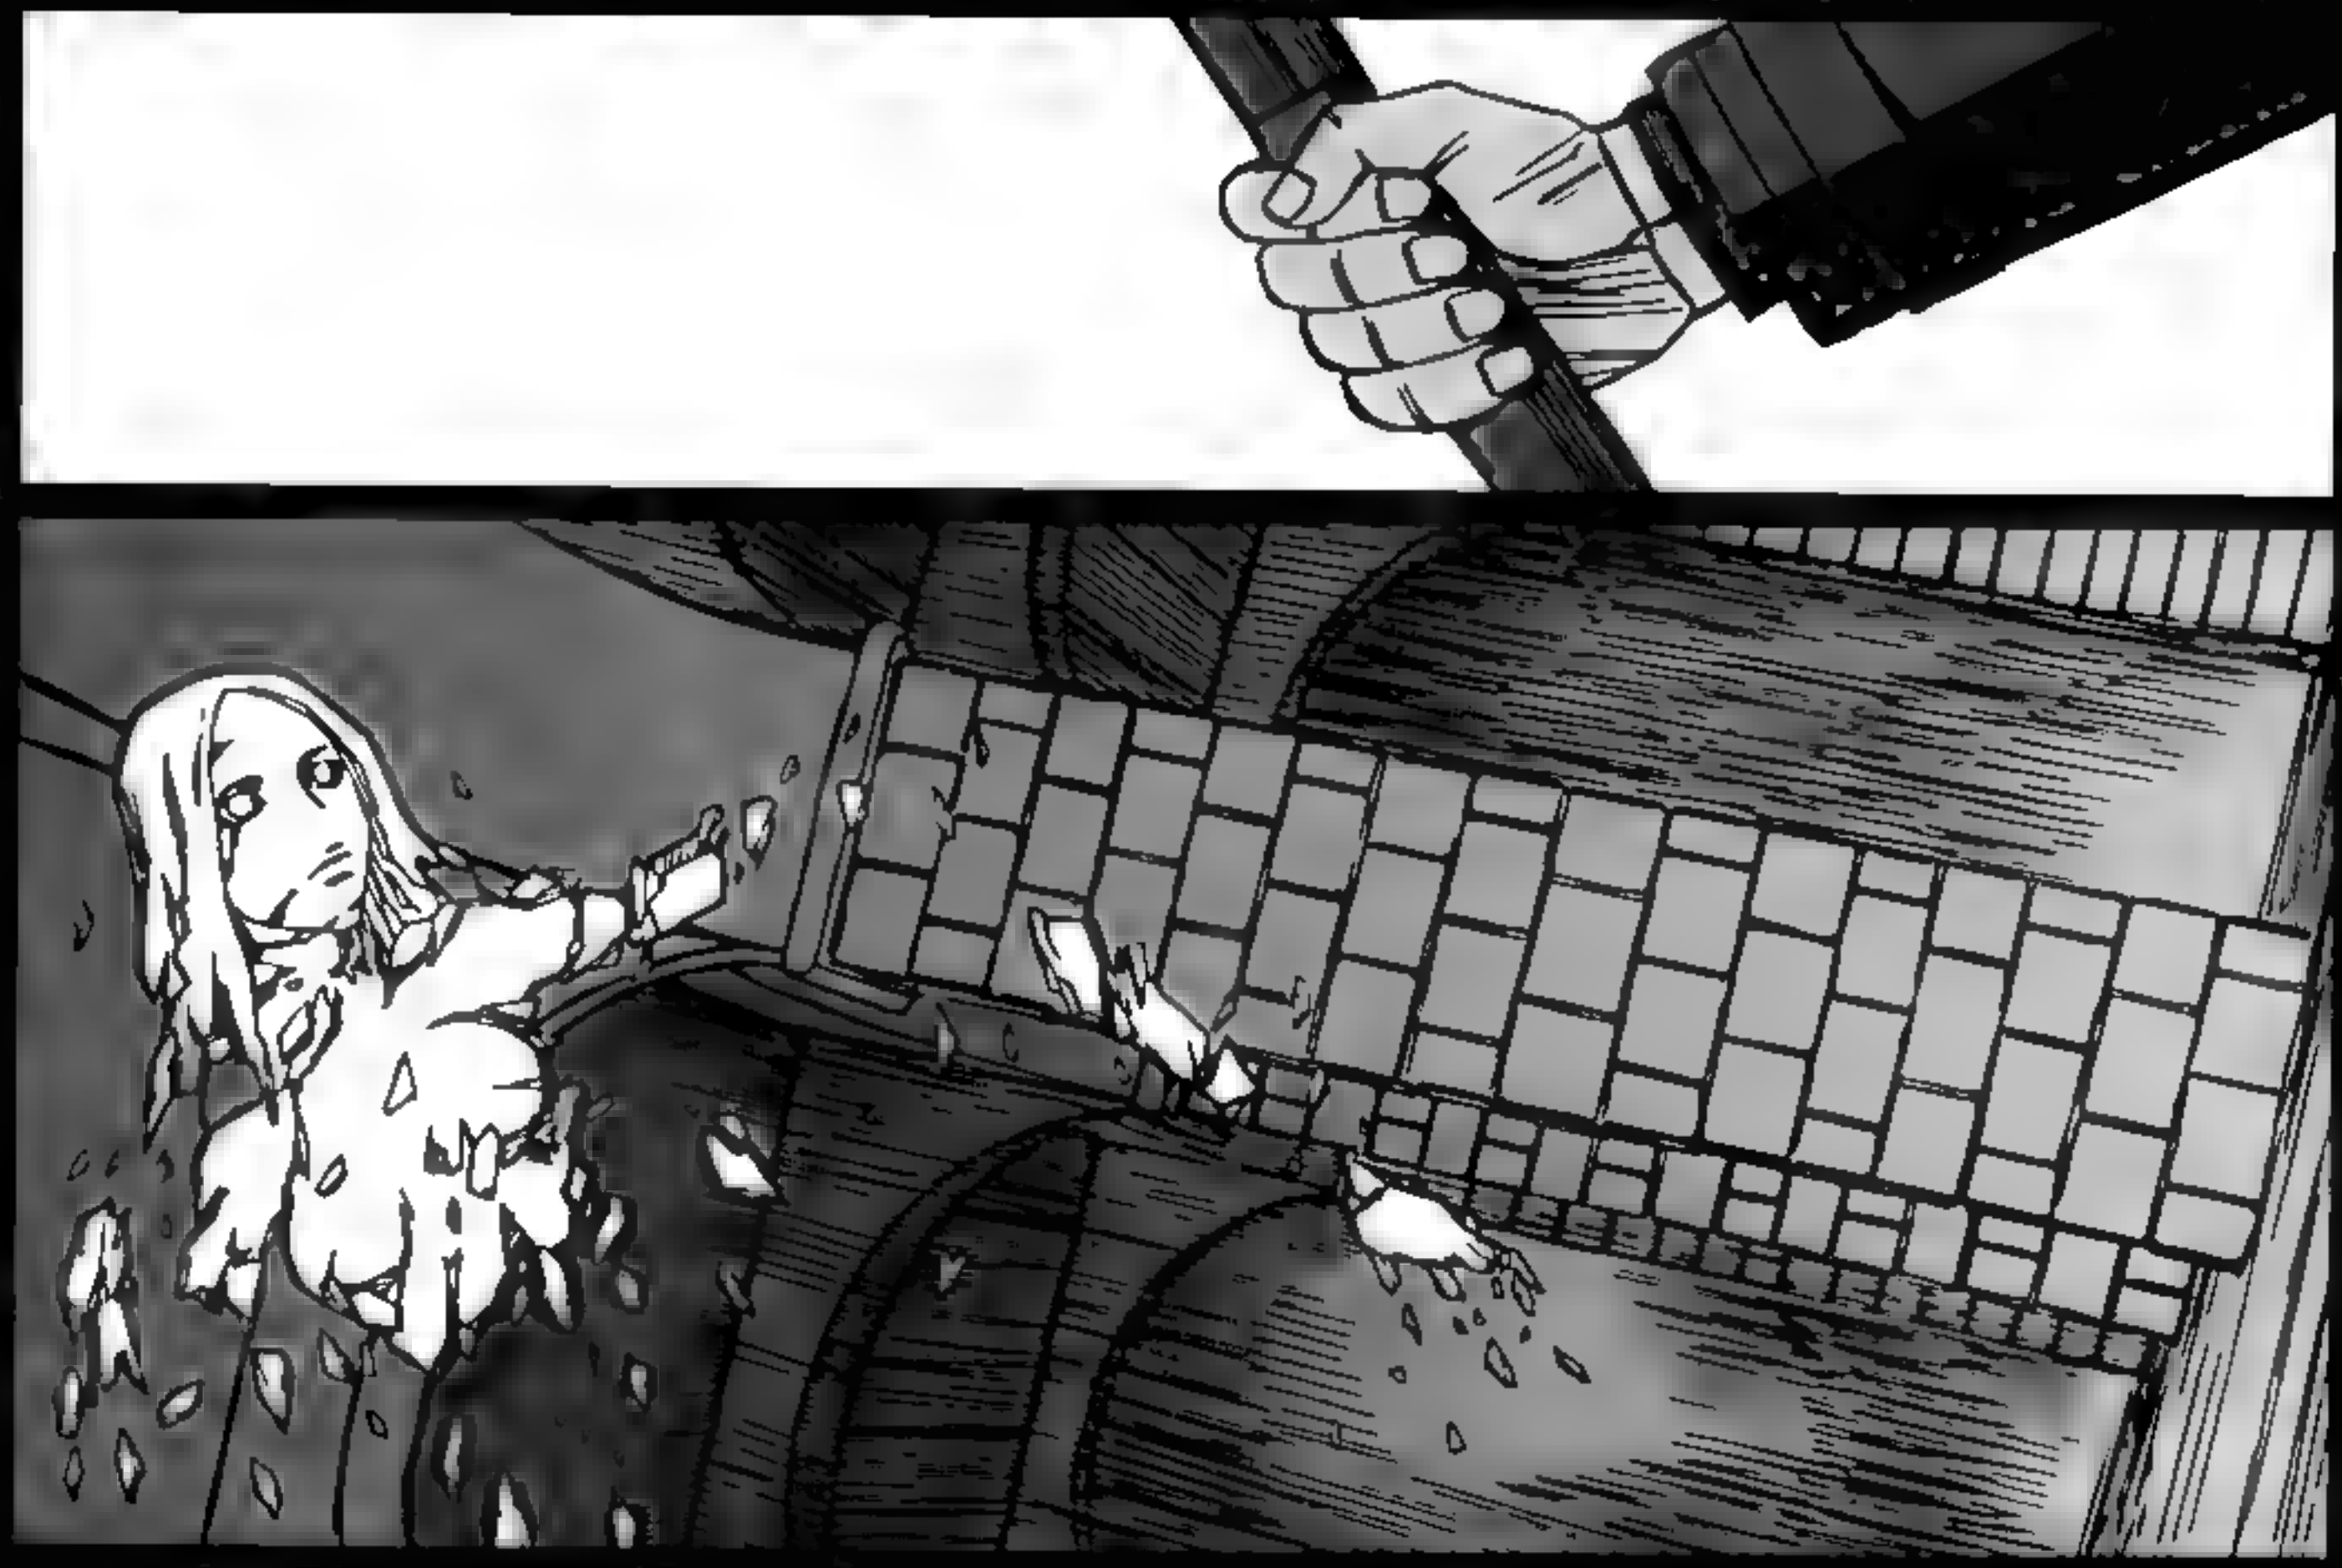
It's no use.

... I wonder about that.

ビュン

ビュン

!!



...!?

WHA ...!?

NO WAY!

YOU SOLD REIJI-SAN OUT FOR SUCH A STUPID REASON!?

It was quite the simple trade.

That's right.

...I will become a vampire.

I provide Einseigrad Sparuda with Reiji, who has been a thorn in their side,

and I get eternal life in return, as well as atonement for all my sins with them.

Who knows ...

THEY'LL NO DOUBT BETRAY YOU!!

YEAH!!

THERE'S NO WAY THEY'D ACTUALLY DO IT!!

So, the result doesn't change.

If I stayed in this cycle of revenge,

I would eventually die a horrible death anyway.

REVENGE FOR YOUR LOVER!?

WHAT ABOUT...

...

... Unlike Reiji, I have no plans to live for vengeance.

I'm sure she doesn't wish that of me either...

Reiji is going to die here.

Well then.

But, there's you two ...

THERE'S NO WAY REIJI-SAN WILL FALL!!

YOU'LL REGRET DOING THIS!!

...You probably don't know, but Reiji is currently facing a former "Knight of the Round Table".

Even if he's lucky, it'll probably end in a draw.

Einseigrad Sparuda's finest Aru-hiek...

But nothing is quite as worrisome as revenge with conviction.

...
I didn't want to have to do this.

THAT'S NOT-!!

I have to pull the roots before they mature.

Don't think badly of me, you two.
